**PAINESVILLE COMMUNITY IMPROVEMENT CORPORATION**

**Physical, Economic & Social Revitalization**

The Painesville Community Improvement Corporation is a 501(c)(3) non-profit organization that was formed in 1977. Our mission statement: PCIC is dedicated to being active in the physical, social and economic revitalization of Painesville and those communities surrounding it.

The goal of PCIC is to fulfill the needs of the Citizens of Painesville and surrounding communities by restoring liveliness within the county, provide a sense of community among the people and to encourage area wide events for the benefit of the residents and business community. The PCIC is a very unique non-profit organization in the respect that it not only raises money to be given back to the community through grants and donations to charities but also seeks to improve communities through volunteer efforts. Leave your hand print on the community. Volunteer for one of the annual events that we fund or for the largest weekend in July - Party In The Park.

We always welcome new ideas and members willing to participate in this great organization. Please join us and help make a difference in our community.

## Red Creek Bar and Grill named Eastern Lake County Chamber 2023 Business of the Year

BY GABRIEL MCVEY

*Gazette Newspapers*

PAINESVILLE TOWNSHIP – Red Creek Bar & Grill on North Ridge Road in Painesville Township was named as the Eastern Lake County Chamber of Commerce's 2023 Business of the Year, with a surprise awards ceremony held at the restaurant on Tuesday, Nov. 29.

Nick Raischel, one of Red Creek's principals, was pleased and surprised when members of the ELCC showed up with a banner bearing the business' name.

"What an honor it is to receive Business of the Year! Thank you to everyone that made this possible," he said. "I had no idea it was coming. This is a great, tight-knit community with

some great things going on. They're really taking care of us."

Red Creek was nominated by Sarah Bals, executive director of the Lake Development Council. The award recognizes a business or industry headquartered in eastern Lake County regardless of size:

"We all know how hard the service industry works and the time commitment that comes along with being a business owner," she wrote in her nomination. "Nick Raischel has been in business with Red Creek Bar & Grill for six-plus years and his efforts have been nothing short of amazing. He has pushed through a grueling pandemic, reinvented the wheel while we were all forced to shut down. He has donated his time and his (delicious) food to a countless number of schools and nonprofits, all while keeping his doors open to the public.

Red Creek is the 'Cheers' of Painesville Township and a staple restaurant that we would all be so lucky to have for a long time."

The old Zappitelli's in Painesville, reopened in 2016 when Anthony Zappitelli partnered with longtime restaurateur Nick Raischel to open Red Creek Bar & Grill by Zappitelli. Red Creek features homemade pizzas, chicken wings, burgers, ribs and a variety of fresh salads.

Raischel joked he has been in the restaurant business, "Since I was 15, when I started washing dishes."

The drinks and menu items at Red Creek Bar & Grill are a team effort, with Raischel and his staff getting together once a season to pitch new ideas for cocktails and menu items. Nick did say that they'd kept on Zappitelli's past and marinara sauces, which were extremely

popular with longtime customers.

"Everybody has input, everybody has a say," Raischel said.

Business of the Year nominees are chosen for devoting time, financial capital, resources and effort back to the community; operating a successful enterprise; and promoting business development in the eastern Lake County area. The business principal or organization must have demonstrated community involvement and/or made civic contributions.

Moving into 2023, Raischel said he would like to expand the patio, which he said has potential.

"We'll do what we do," he said. "That's good food and good service."

Red Creek Bar & Grill is located at 1820 North Ridge Road in Painesville Township. For more information, call 440-853-8490 or visit [redcreekbarandgrill.com](http://redcreekbarandgrill.com).

## Painesville United Methodist Church wins Eastern Lake County Chamber Beacon Award

BY GABRIEL MCVEY

*Gazette Newspapers*

**PAINESVILLE** – The Rev. Jim Winkler was genuinely dumbstruck for a moment after learning that his congregation in Painesville was being honored Tuesday morning by the local chamber of commerce for its work in the community.

The Painesville United Methodist Church was honored with the 2023 Beacon Award by the Eastern Lake County Chamber of Commerce, an annual honor given to a nonprofit or organization in ELCC's territory that's had a significant, positive effect on its community.

"This award is great, but it's not just a reflection on me – it's a reflection on all of you, our volunteers," Winkler said to his congregants on hand during the surprise ceremony.

These days it is, by and large, an older congregation, but the prior pastor was able to take 50 youth on mission work.

"The motto of the church is, 'On the square, steeped in prayer,'" Winkler said.

Painesville United Methodist Church was nominated for the Beacon Award by Joshua J. Strickland, of Dworken & Bernstein Co., who wrote:

The Painesville United Methodist Church has gone above and beyond in 2022 in community outreach, reaching the Painesville and Lake County Communities and working to make the lives of those it touches better. Specifically, the Church has been engaged in the following activities:

In addition to continuing its weekly food pantry, the Church has been working to make new connections and build relationships with people and organizations at all levels across the Painesville Community.

Church leaders have attended a swearing-in at the Lake County Sheriff's Office, toured the Hope Chest to better understand who they help and how they can better support them, partnered with local businesses such as Flowers on Main and Ariel Inspired Art Gallery to host floral and art classes, hosted a First Responder Appreciation Luncheon with police, sheriff, firefighting and medical personnel as invited guests, run an UMCOR Flood Bucket drive, taken a weeklong Youth Mission Trip to the Appalachian Service Project mission area in Tennessee, assisted in the construction of accessibility ramps as part of a Youth Group day mission trip, hosted and welcomed several Leadership Lake County classes as well as a recent Coffee Contacts event for

the Eastern and Mentor Chambers, participated in the 2022 Lake-Geauga Counties Heart Walk, took group trips to Classic Park and Rabbit Run Theater for baseball and theater fellowship respectively, and, most recently, were the first church to reach out to the Painesville office of the Ohio Guidestone group to better understand the poverty and needs of the people they help as they prepare to invite the PUMC congregation to once again give gifts to children who are in need. The Church runs the 'Grill on the Hill' providing food to the attendees at the City of Painesville's weekly Classic Car Show allowing the Church to engage with the community the Methodist way—through food! The Church also works with the city during the Thursday Farm Markets.

"I believe the Church, its many volunteers and its leadership, specifically Pastor Jim Winkler, Director of Outreach Maria Strickland and Director of Education Margie Walker, have gone above and beyond to make a positive impact in Painesville and other Lake County communities and are deserving of consideration for the Beacon Award," Strickland said.

## HELPING BUSINESSES DO BUSINESS BETTER

### Growing Businesses Have Growing Needs...

Regardless of what kind of business you're in, chances are it is paper intensive. Have you ever considered how much you are actually spending on printing, file storage and document distribution? Costs related to paper-based workflow and backroom file storage can be staggering.

### Did You Know?

- Most employees consider printing 'free' and thus print in excess
- The stockpiling of toner (over purchasing) is common & costly
- Toner for old printers is more expensive than the latest models
- If your network isn't counting clicks, you're not controlling costs
